

7th Grade Science Syllabus

Welcome to the start of a new school year! I am very excited about our Middle School Science program. Below you will find information that you will need to help make this year a great success!

Science supplies needed daily:

- Science Binder
- Textbook
- Notebook
- General items in school bag

Classroom Rules:

- Be respectful of yourself, others, and our classroom.
- Come prepared and ready to learn every day.
- Keep your notebook and workspace neat and organized.
- Be responsible for your actions.
- Follow the SLKF Middle School Code of Conduct.

Classroom Expectations:

- Ask questions at the appropriate times when you do not understand something.
- Complete all assigned work to the very best of your ability.
- Study daily and prepare for all tests and quizzes.
- When you are absent, take responsibility for making up all work.
- Understand the similarities and differences of others in our classroom.

Critical Areas covered this year:

- Cells and Heredity
- The Diversity of Living Things
- The Human Body

Grading Policy:

Homework (5 points each)– Homework is so important to reinforce class work. This is a weekly grade. Points vary based on the number of homework assignments given each week.

Tests – Point values for each written test will vary based on the number of questions/problems on the test. Tests can include matching, multiple choice problems, short answer questions, and fill in the blank.

Quizzes – Quizzes will be given periodically, some unannounced, and will vary in total points.

Projects – Projects will vary in total points. Projects will count as either a test grade or quiz grade depending on the project.

Exams – We will have an exam at the end of the 2nd quarter and at the end of the 4th quarter. Each exam will be worth two test grades.

Conduct Policy:

Please refer to the Middle School Code of Conduct in your Student Handbook.
